THE MINISTER OF STATE OF THE MINISTRY OF HOUSING AND URBAN POVERTY ALLEVIATION (KUMARI SELJA): (a) Yes, Sir. During 2005-06 the profit of HUDCO has been reduced. The profit after tax for 2004-05 and 2005-06 is as under:

Profit after tax (2004-05)	Rs. 396.77 crores
(After adjustment of tax for earlier years)	

Profit after tax (2005-06) Rs. 260.24 crores
(After adjustment of tax for earlier years)

(b) and (c) Yes, Sir. During the first half of the current year, the earning of HUDCO is lower. The Profit after tax of HUDCO (as on 30-9-2006 as per Limited Review) is Rs. 46.99 crores. The performance of the HUDCO has been reviewed by the Competent Authority to improve its functioning affecting loss in its profit earning. The decrease in profit of HUDCO in comparison to last year *i.e.* 2004-05 is mainly due to decrease in interest income on account of reset of loans and prepayments received during 2004-05 and 2005-06. Further, loans under HUDCO Niwas, reset/ prepayment of bulk loan during financial year 2004-05 and 2005-06 had major impact. In addition, decrease in other income oh account of prepayment charges also had a major impact. Constant monitoring of defaults of HUDCO loan has been undertaken with various State Governments/Govt. agencies at different levels and this has shown some positive results.
